Company Profile

SASA GROUP RWANDA Limited is a Rwandan registered Private Security Company since 2016. Located in Nyarugenge District. Its aim is to provide a full security solution to individuals, business, and community. Built on the premise that security and safety in our country is from downward spiral. We strive to be a major contributing factor in private security services.

Our value of integrity, teamwork, attitude, performance, ethic and passion were carefully chosen and form the framework for our commitment to outstanding customer services as well as guiding our daily actions. We have made significant investment in technology to ensure both our internal and external processes deliver outstanding customer services and real time information.

We train youth in the area of firefighting, fire prevention and rescues so that this can be a professional for them and after training they can be useful to the society not only in Rwanda even at the global standards with the support of our government.
